

# TAILINGS DAM MONITORING TO REDUCE RISK OF FAILURES

5-9PM, THURSDAY 7 NOVEMBER

Treasury Casino and Hotel  
130 William Street  
Brisbane, QLD, 4000

(RSVP by 31 October to:  
[k.tehrani@uq.edu.au](mailto:k.tehrani@uq.edu.au))

In the light of recent fatal tailings dam failures, increasing focus has turned to improved monitoring to provide adequate warning in the event of failure. Presentations will include a company perspective, the range of monitoring systems available and a Panel Discussion involving suppliers.
