CQMRG Quarterly Newsletter

Monday, 14 March 2016

Edition #1

Welcome to CQMRG!

Welcome to the first edition of the quarterly CQMRG newsletter. These newsletters are designed to keep you up to date with events, meetings, and social networking events organised by CQMRG and our affiliates, developments in projects we are involved in, and general news from the industry.

We hope you enjoy reading this newsletter and are open to any comments and suggestions you have for items to include or exclude.

Happy reading!

CQMRG Website Goes Live!

We have been working hard in the background to develop a functional website where you can manage your membership, access useful resources, keep up to date with events, and easily contact us.

Our website is now live!

Visit www.cqmrq.com.au and check it out!

Event Coming Soon

Our annual get together, which will include presentations, a mine site tour and CQMRG general meeting is in planning and the event date will be announced soon. We will be announcing the event via our website and through email communication with the membership, so keep an eye out.

CQMRG Joins LinkedIn

We have created a CQMRG group on LinkedIn to make it easier for our members and supporters to connect with one another and discuss mine rehabilitation in a more open and frequent forum. Search "Central Queensland Mining Rehabilitation Group" or "CQMRG" on the LinkedIn search function, or head to our website for a link to join.

We want your feedback!

CQMRG wants to make sure that the events, networking and meetings we organise meet our membership's expectations. We have prepared a survey to find out what you want sort of events you would want to attend and what you think of our events to date.

We value your feedback, so please take the time to respond via the link below.
